

StepSanTM

A step away from clean hand

www.stepsan.com

KINDERGARTEN Edition

Sanitization has been a new norm during this pandemic. A bottle of sanitizer in kindergarten will be used by many kids and might spread infection if not handled correctly.

Introducing **StepSan**[®], a safer way to sanitize. Just step on it, your hand will be clean and it can reduce the risk of infection.

Product Dimension Size

14"(W) x 14"(L) x 36"(H)
